

5502 N.W. 37th AVENUE MIAMI 42, FLORIDA P.O. BOX 52-665

## WHY WE RACE

Racing Bertram boats has a much more serious purpose than winning trophies. We consider off-shore powerboat competition, with its gruelling demands on hulls and engines, to be the ultimate test of performance and reliability.

These races yield a wealth of valuable information that enables us to make constant improvements in performance, safety, and reliability.

You may never call upon your Bertram to absorb the punishment of racing, yet, when the going gets rough, it will be comforting to know that your Bertram comes to you as the most thoroughly tested and proven boat on the market today.
